LB 104-22-1

S i r,

I have the honour to state that, in the Schedule of -- villages in the Sanitary Board area, attached to Government Notificati No. 7075 L. B. 185-12-3 dated the 22nd March 1916, Kudigal and Karimanhalli small villages containing a population of 245 and 124, and 53 and 21 houses respectively, which are the majara villages of Ghatkamadepal and Maliyangurki have been omitted though they are in the Sanitary -- Board area and have all along been regarded as Sanitary Board villages and treated as such, and being petty hamlets coming within the Sanitary Board area cannot well be left out of it. As they are omitted in the Notification referred to above, the penal clauses of the Sanitary Boar Bye-laws and Rules cannot be legally enforced in them. To remove this difficulty the Sanitary Board in their meeting held on the 27th Octobe 1922 resolved that they should be included in the notification referre to above enumerating the villages of the Sanitary Board area.

I request that sanction of Government may kindly be obtained to the Board's recommendation and these hamlets formally notified as being included in the Sanitary Board area.

A copy of the Board' resolution is submitted, enclosed.

I have the honour to be,
S i r,
Your most obedient servant,

President, Sanitary Board,
Kolar Gold Fields.

Extract from the proceedings of the second ordinary meeting of the Kolar Gold Field Sanitary Board held on 27th October 1922.
